

**MA Photography
Research Project: Stage 2 (AGM64) Exhibition Display 2021**

Please use this form to propose works for exhibition display

Student Name:	
University email address:	
Please indicate below what kind of work you plan to exhibit:	
Prints, framed or any type of flat work for the wall	Projection, installation or any work with 3D elements
(Highlight as appropriate)	(Highlight as appropriate)
<p>Please complete the following sections accurately and in as much detail as possible to establish the type of work intended for display and support required.</p> <p>Think about your work as part of a group exhibition and not as a solo show. Be ambitious and realistic. Consider resources, others in the group and reasonable use of space accordingly.</p> <p><i>Please note significant changes to complex installations cannot be made during construction.</i></p>	
Number of works:	Dimensions of each work (cm):

Research Project: Stage 2 (AGM64) Exhibition Display 2021

Use this section to describe the format of the work in greater detail e.g. if prints, are they to be pinned or taped to the wall? or mounted (on aluminium or board), framed or unframed? If the work involves projection, what size? is blackout needed? Any monitor required, either free standing, on the floor or a plinth?
